

**Invitation to participate in developing the City of Hartford's 2025 - 2029
HUD Consolidated Plan**

January 6, 2025

The City of Hartford receives yearly funding from the four U.S. Department of Housing and Urban Development (HUD) Programs below, to principally benefit our low and moderate-income residents. The Consolidated Plan is a tool that helps us assure that our investment decisions are data-driven, and place-based to maximize their impact:

- Community Development Block Grant (CDBG)
- HOME Investment Partnerships (HOME)
- Emergency Solutions Grant (ESG)
- Housing Opportunities for Persons with HIV/AIDS (HOPWA)

The plan should reflect residents' opinions and priorities for housing and community development needs. If you want your voice to be heard, be sure to attend one of the upcoming hearings (below). Additional community meetings will be scheduled this Spring.

January hearings will be held:
